Battery Installation

Your Motorized Conveyor will activate for several seconds to indicate correct battery installation.

- Rokenbok recommends premium alkaline batteries for use in your Conveyor.
- Batteries are to be inserted with correct polarity as shown.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or nickel cadmium batteries.
- Remove the batteries during long periods of non-use.
- Never leave worn-out batteries in your Conveyor. Battery leakage can damage product.
- Do not attempt to recharge non-rechargeable batteries.
